PRODUCT SHEET

VISTAWHEEL™

Elevate your perspective with the Vistawheel™, a contemporary reinvention of the traditional Ferris wheel concept. Experience an unparalleled blend of aesthetics and functionality as this cutting-edge attraction redefines your notion of a classic ride. Step into climate-controlled cabins that ensure your comfort regardless of the weather, and experience in a seamlessly smooth journey that provides guests a remarkable vantage point.

Beyond its exceptional performance, the Vistawheel™ offers a canvas for creativity, allowing you to configure its layout into captivating shapes such as circles, ovals, triangles, and even the whimsical leaning oval. Leave an unforgettable impression on your audience with an attraction that combines innovation and tradition.
